

# ARE YOU OUR NEXT BUSINESS CONTROLLER?

WORK AT SILVA

**We are looking for a new teammate; a Business Controller who like being in the great outdoors and has an active lifestyle. As Business Controller at SILVA you will support the company with analysis, calculations and forecasting in order to help optimize business. As part of the Finance Department you will report directly to the CFO.**

## EMPLACEMENT

SILVA headoffice in Bromma, Sweden.

## WHAT WILL BE YOUR AREAS OF RESPONSIBILITIES?

- Financial and sales reporting
- Budget and forecasting
- Ad hoc-analysis of SILVA's product segment, customers and markets
- Develop product calculations and monitor product margins
- System ownership of SILVA's BI-system Qlickview
- Analysis of SILVA's sales and overall performance
- Participate in the development of processes, tools and method

## WHO ARE YOU?

You have a few years' experience from controlling or similar. You are used to the process regarding budget and forecasting, and have a drive to understanding the company and the business. You work proactively and want to improve processes and methods. You are proficient in Microsoft Office applications, especially Excel and PowerPoint.

As a person, you like working in a team and to achieve results as a team. It's important that you take responsibility and always seek efficiency and improvements. You are service-minded and have a strong analytical capability.

## ARE YOU OUR NEW TEAMMATE OR DO YOU KNOW SOMEONE WHO IS?
